Debit Card

Use your card to make everyday purchases at participating retailers and service providers. The amount of the purchase will come out of your FPFCU checking account.

ATM Card

An ATM card provides access to cash and other banking services at ATMs using a Personal Identification Number (PIN).

Disclosures

You have received a copy of our standard overdraft practices as well as copies of our Electronic Fund Transfers Agreement and Disclosure and Fee Schedule. Please refer to them for the policies that control your card and also for information regarding errors and disputes.

Notice

We may terminate your card service anytime if we feel you have failed to follow agreements, abused your privilege, or caused risk of loss to the credit union. You will be notified when this occurs.

Card Valet

This app offers safety features which include: mobile notifications when your card is used, the ability to turn your card on and off at your discretion, access to spending limits and merchant controls, and card tracking technology so you can feel more secure. Download the stand-alone app today or access it through MyCards in your Mobile App.
